Crafting fine cabinetry for three generations

CUSTOM LAMINATES

Apple Valley has developed a stunning line of Custom Laminates that beautifully blends contemporary American with a hint of European influence. These artful designs result naturally from Apple Valley's three generations of commitment to cabinetry. It all began in Europe and traveled to its home in North America. Now you can enjoy the result of this Custom Laminate Series of cabinetry with all it offers. The cabinetry is crafted in America using our proven "Tuff-Core" 3/4" dowelled construction and a proprietary component assembly process.

Custom laminates provide you with the very best benefits of two worlds. You can select from a wide assortment of high quality laminate materials that are so easy to keep clean and give your kitchen a modern luxury look; perfect for growing, active families. Built-in convenience units, lighting and other special options make them practical over many years.

CUSTOM CONVENIENCE

A custom kitchen is one that has the options and features that are personalized to your liking. You can place what you need at your finger tips, and reduce both time and effort needed to manage your kitchen. Apple Valley offers a full assortment of concealed storage units and racks. Or you may prefer the open kitchen look by selecting our stainless steel rail systems, customized to fit your cooking style.

Consult your Apple Valley dealer to see the full selection of colors, styles and options.
Due to the nature of the printing process, colors shown may vary slightly from actual finishes.
